

MJHS Tech Crew Descriptions

Technical Crew

The Technical Crew is perfect for the busy student that is involved with other activities or sports at MJHS. Members of the Technical Crew can come to a work call as often as their schedule allows, and will help with the construction, painting, lighting, and properties of the musical. Students that sign up for Crew will be named in the program. Technical Crew Call schedules will be posted online and via Remind text reminders. Members of the technical crew may be asked to assist during Production Crew only calls. Technical Crew opportunities are available to any student, grades 6-8.

Production Crew

Members of the Production Crew are also members of the Technical Crew. The production crew is comprised of technicians that are dedicated to a production from start to finish. Production Crew roles include: Assistant Director, Dance Captains, Sets, Painting, Stage managers, costumes/Make-up, sound board operators, light board operators, props master/mistress, properties assistants, crew runners, etc. Production Crew Call schedules will be posted in the online and via Remind text reminders. Students that miss more than 2 calls may be removed from the production crew. All performances, tech week calls, and tech week rehearsals are mandatory. These days will be noted on the calendar. These positions will be assigned based upon application and/or an interview process.

Student Leadership

Tech crew student leadership positions are reserved for crew members that go above-and-beyond the call, demonstrate passion for theater, respect the staff, cast, and crew, and have a solid understanding of a production. They are members of the TC, and are the leadership team for the PC. Student leadership positions include Student Director, Stage Manager, Sound, Lights, Props, Costumes/Make-Up, Carpentry, Paint, Crew Runners, etc. These positions will be assigned by application, and/or an interview process.
