

# Private Lessons

---

It is not required that Mokena music students take private lessons. It is true, however, that the vast majority of students who do not take private lessons tend to have improper playing habits, and never reach their full potential as musicians. Included in this section is a listing of persons who are willing to teach private lessons. We are offering this information as a service to parents. To the best of our knowledge, the teachers listed below are qualified professionals with years of teaching experience. **This is not intended to be an endorsement or character reference for any teacher.** As always, we urge you to use good judgment when choosing a private lesson teacher and/or a music store with whom to do business.

Some of these teachers are willing to give lessons at Mokena Junior High School after school on various days of the week. The lesson price should be discussed with the teacher.
